Health Therapy in Traditional Chinese Medicine

中醫養生的智慧

董刚昭医师出生于医学世家，毕业于中国广州中医药大学。并在美国加州南湾大学取得中医临床医学博士。曾任广州越秀中医院副院长，中国《气功与科学》杂志总编辑。从事中医临床，教育三十多年。董医师自1991年起，担任针灸局考试顾问和针灸执照考试工作，历任多届针灸局考试考官。近年来，董医师参与北加州中药联商会举办的中药进修班教育工作。

Dr. Gang Zhao Dong, L.Ac., OMD, was born in a Traditional Chinese Medicine family. He graduated from the TCM University of Guangzhou, China. He gained his OMD doctorate degree at South Baylo University in California. Dr. Dong was the vice president of Guangzhou's Yuexiu TCM Hospital and was the Editor in Chief of the magazine, <Qigong and Science> (China); Consultant and Subject Matter Expert for California Acupuncture Board and a Examiner of State Acupuncture Licensing Examination since 1991. He has over 30 years of experience in the Acupuncture and Chinese Medicine field. In the most recent years, Dr. Dong has been teaching Chinese herbal study courses organized by Chinese Herb Trade Association of North California, with the co-effort of the Chinese medicine community to promote and standardize the herbal industry in California.
