Dear Members, Advisors and Sponsors:

It is my pleasure and honor to send this message to you as the new President of SCCF after four years of exemplary leadership by Mayue. Please join me in applauding and thanking Mayue for her countless hours spent in those years, with the support of all the Board members, on planning, organizing and delivering many well attended educational and cultural programs for our members. The elected 2015 new Board and I are thankful that Mayue remains on the Board as we progress in stronger teamwork to bring you events that will enrich your cultural lives. The Board has just completed mapping this year's events (see announcements in this newsletter), and we are ready to roll - with you, that is. Your participation and volunteerism in these events are important to us, and to the success of their outcome as well. We encourage you to contact us for suggestions to make the events more meaningful to you, or offering your time and smiles as volunteers to bring the execution of the programs to a higher level of quality. My email address: jwong@mcwonginc.com – please let me know your ideas on making the programs better.

This summer the Board will start planning for the 30th anniversary celebration next year of the founding of SCCF, and we are thinking about hosting a gala. The date is not set yet, but likely to be in May 2016 which has been designated as "Asia Month" in the State of California. SCCF will be a significant contributor to the many festivities expected during the month.

Please enjoy reading this newsletter and note the event dates. We want to see all of you at the events. While you participate and/or volunteer, remember to bring a friend or two, and encourage them to join our membership. Together we can do bigger and better things, and learn together too.
