SCCF PRESIDENT'S MESSAGE

Dear SCCF members and friends,

Happy New Year! On behalf of Sacramento Chinese Culture Foundation (SCCF) Board, we want to send our heartiest appreciation to all SCCF members and friends for your strong support and participation to make 2017 the most successful year for SCCF in promoting peace, prosperity, cultural diversity, community harmony and health in multi-culture society at the local, regional and national levels. We also want to thank our strategic partners, such as Wells Fargo, California Northstate University College of Medicine and College of Pharmacy, River City Medical Group, UC Davis Confucius Institute, Capitol Periodontal Group, Sacramento County Public Health, California Association of Acupuncture, Chinese American Medical Association of California and Elk Grove Mayor Steven Ly for their continuous strong support and participation.

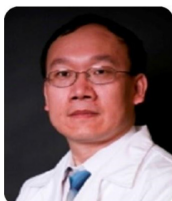

On behalf of the SCCF board members and the Organizing Committee of East-West Health Fair, we want to express our deep appreciation to all the SCCF members, sponsors, institutions, organizations, vendors, clinicians, volunteers, community leaders, public officials, and community members for your strong support and participation to make 2017 California Capitol Region East & West Health Fair another historical community service event in SCCF history. Over 90 local and regional health care organizations and vendors, and over 1000 community members participated in the second California Capitol Region East & West Health Fair on November 5th, 2017 at the new Event Center of California Northstate University (CNU) Elk Grove campus. Health care providers and students offered free flu vaccines, diabetes screening, stroke education and screening, vision, hearing and dental screening. Clinical experts of East Medicine and West Medicine also offered free onsite medical services and consultations.

2017 also witnessed the great success of SCCF in promoting Chinese Culture. SCCF awarded over \$20,000 scholarship to local schools and students to support their effort in teaching and learning Chinese Culture. SCCF also founded its own orchestra in 2017 to rally community members to use their music talents to serve the community. The SCCF orchestra's debut performance during the opening ceremony of the East & West Health Fair was phenomenal. They also volunteer monthly in local senior centers and nursing homes to play the favorite music for the senior citizens. In addition, SCCF provided a special platform of talent show for the talented community members in the capital region to identify their talents, share their talents, promote their talents, strengthen their talents and use their talents to serve the community. We strongly believe that only when all community members actively involved in the community services, the community will become our own community, and will thrive. The finale of Capitol Got Talent on August 19, 2017 was a great celebration of art, music and talents of our own community members.

Look forward to 2018, SCCF is very confident to continue collaborating with all the local and regional community partners to lead the effort in promoting peace, prosperity, cultural diversity, community harmony and health in multi-culture society at the local, regional and national levels. We need your continued support and participation to build and strengthen our community with care and love!

Happy New Year!

11/5/2017 2nd California Capitol Region East & West Health Fair Highlights

Western Medicine

Over 300 participants received free services such as flu shots, stroke education, vision care or physical exams provided by over 40 students and clinical faculty members of CNU and clinicians from local health care organizations.

Eastern Medicine

More than 20 Chinese medicine doctors attended and provided advise and acupuncture services to 200+ participants.

Community Services

Comment from Mayor
Steve Ly's
Representatives:
This event had the most
entertainments, Good
variety of vendors, Great
location!

Comments from APA News:
Everything is perfect. As the event gets bigger in
the future; this space will have to be bigger.

中华文化基金会音乐团乐手招募

SCCF Orchestra

We welcome people who play western instruments or Chinese traditional instruments to join our orchestra.

A Stage to Show Your Talent

We present the opportunity to perform in our various events and concerts, help you or your children build the confidence and experiences.

No fees requirement No age limit

The Sacramento Chinese Cultural Foundation (SCCF) Orchestra began with our junior weekend volunteer program. SCCF has been organizing music players to perform at the Asian Care Center (ACC) on a monthly schedule. With the help of Mr. Michael Chan and community members, the SCCF Orchestra was formed. Our goal is to share the musical culture and provide a stage. Currently we have 35 players that perform cross culture music pieces. We welcome people of all ages and different musical backgrounds to join us.
